

IGNACIO PALACIOS CLAR

Finance, Automation and AI

+34 665 333 338 i.palaciosclar@gmail.com Ignacio Palacios Clar

PROFILE

Economist with 6+ years in finance and accounting, specialised in process improvement and automation with AI and NetSuite. Strong background in CFO and board reporting, controlling and multi-entity environments under IFRS, US GAAP and Spanish GAAP, with hands-on experience in M&A processes (acquisitions and mergers). Passionate about investment and personal finance.

WORK EXPERIENCE

Clarity AI – Financial Analyst & Controller | Sept. 2023 – Present | Remote (Madrid)

Financial analysis and controlling managing financial operations across legal entities in the United States, Spain, United Kingdom, United Arab Emirates, Germany and Saudi Arabia.

- Process improvement and automation with AI to reduce manual work, errors and closing time across the month-end close and recurring finance processes.
- NetSuite optimization focused on time savings: custom scripts, saved searches, scheduled exports and CSV imports for recurring entries.
- Preparation of monthly reporting for the CFO and the board, including variance analysis, management commentary and investor reporting.
- Experience in acquisitions and mergers, from due diligence and data room preparation to transaction close and post-merger integration of systems and chart of accounts.
- Ownership of accounting and controlling activities including budgeting, forecasting and financial analysis.
- IFRS and US GAAP compliance, coordination of external audits and tax review across jurisdictions.
- AP automation, vendor relationship management, contract negotiation and coordination with banking partners.

TMF Group – Accounting Manager | Jun. 2022 – Feb. 2023

- Annual accounts, financial closings and corporate tax (CIT) for real estate investment structures; monitoring of bank loans and intercompany transactions.

Deloitte – Team Leader | Jun. 2022 – Feb. 2023

- Balance Sheet and P&L review, team supervision and annual accounts preparation with tax compliance oversight.

Deloitte – Junior BPS | Jun. 2022 – Feb. 2023

- Invoice accounting, bank reconciliations, payroll accounting and VAT, income and intra-community tax filings.
